Dear Mr. Chairman:

I have discovered a bookkeeping error while preparing my financial disclosure statement for 1988. A $2,000 honorarium from the Pfizer Corporation was inadvertantly posted as $1,000. The result of this mistake is that I have exceeded the honoraria limit for the year. I have immediately issued a $1,000 personal check to charity and have mailed it.

I ask that you attach this letter to my financial disclosure statement when it arrives in the next few days.

Sincerely,

Michael A. Andrews

OFFICE OF THE CLERK
U.S. HOUSE OF REPRESENTATIVES

Hon. Donn Anderson
Clerk of the House
Office of Records and Registration
1036 Longworth H. O. B.
Washington, D. C. 20515

Dear Mr. Anderson,

I am in receipt of a letter regarding the need to further inform the Committee on Standards of Official Conduct of additional details concerning my 1988 Financial Disclosure Statement. Please accept this letter as my explanation of the two points of contention raised by the staff of that Committee.

Under Part II B, Unearned Income, there was a question raised that I did not report any dividends received during 1988 in return for the shares of common stock that I held in Bob Evans Farms, Mylan Laboratories, Rotech Medical Corp., and Worthington Industries. As for Mylan Laboratories and Rotech Medical Corp, less than $100 in dividends was received. For the record, I received $30.00 and $0.00, respectively. As such, I was not required to report these dividends. In the case of Bob Evans Farms, Inc and Worthington Industries, I inadvertently did not report dividends that I actually did receive. During 1988, I received $389.04 in dividends from Bob Evans Farms and $126.00 in dividends from Worthington Industries. Both of these amounts are in category A.

There was also a question regarding Part IV, Transactions. The Committee staff indicated that I did not report the acquisition of my shares of common stock in Worthington Industries, or the purchase of the following four tax exempt bonds: Toledo, Ohio Ltd. Tax General Obligation, Grandview Heights, Ohio Library Building Municipal Bond, Willoughby-East Lake Municipal Bond, and Avon Lake, Ohio Municipal Bond. Each of these assets had been acquired prior to 1988, and as such, should have been reported in years prior to 1988. Below is the actual purchase date of each of these assets:

Worthington Industries - original purchase of 200 shares - 08-21-87 - Category B
Worthington Industries - second purchase of 100 shares - 10/22/87 - Category A

Toledo, Ohio Ltd. Tax Gen. Oblig. - 03/03/87 - Category A

Grandview Heights, Ohio Library Bond - 07/10/87 - Category C

Willoughby-East Lake Ohio Municipal Bond - 03/06/87 - Category B

Avon Lake, Ohio Municipal Bond - 02/13/86 - Category C

I would like to point out that while I was remiss in reporting these original acquisitions, I had never failed to report them as holdings or the interest or dividends derived from them. My errors were completely unintentional.

I hope the this information will meet with your and the Committee's approval and will complete my 1988 Financial Disclosure Statement.

With best regards, I remain

Sincerely yours,

DOUGLAS APPLEGATE

U.S. House of Representatives
COMMITTEE ON STANDARDS OF
OFFICIAL CONDUCT
Washington, DC 20515

February 25, 1987

The Honorable Cass Ballenger
United States House of Representatives
116 Cannon House Office Building
Washington, D. C. 20515

Dear Colleague:

This is in response to your letter of January 16, 1987, requesting the advice of this Committee regarding the propriety of your receipt of certain compensation from Plastic Packaging, Inc. Your correspondence elaborates on information provided in an earlier meeting with Committee Counsel Mark Davis.

You explain that you served as President of Plastic Packaging, Inc., from its founding in 1956 until your election to the House of Representatives. While you remain the majority stockholder and Chairman of the Board, you no longer have day-to-day operating responsibilities. In lieu of the salary previously paid to you, Plastic Packaging, Inc., intends to pay you $20,000 per year for as much as 400 hours of consulting services on implementation of corporate policy decisions. You further explain that Plastics Packaging, Inc., is your principal family investment, and you view it important to remain associated with the business to assure that your investment is protected.

The provision implicated by your inquiry is House Rule XLVII, which limits the amount of outside earned income which a Member of the House of Representatives may receive in a calendar year to 30 percent of the Member's aggregate yearly congressional salary. As provided in the Rule, the term "outside earned income" means "wages, salaries, professional fees, honorariums, and other amounts ... received as compensation for personal services actually rendered." Several exemptions are noted, however. Clause 3(d)(4) of Rules XLVII specifically states that outside earned income does not include--

> in the case of a Member engaged in a trade or business in which the Member or his family holds a controlling interest and in which both personal services and capital are income-producing factors, any amount received

The Honorable Cass Ballenger
February 25, 1987
Page 2

> by such Member so long as the personal services actually rendered by the Member in the trade or business do not generate a significant amount of income.

The Committee is of the opinion that the services you will be performing for Plastic Packaging, Inc., and compensation in the amount specified, fall within the stated exemption. The purpose of the exemption, as stated by the Commission on Administrative Review of the 95th Congress, is to enable Members to protect their interest in a family business. (See, House Document 95-73, p. 11; see also, Advisory Opinion No. 13, House Select Committee on Ethics, 95th Congress.) Further evidence of the fact that your efforts are aimed at preserving your equity, rather than generating a significant amount of income, is the limited time you plan to devote to the business. The Committee also notes that the amount of compensation you will be receiving from the corporation is substantially less than that reported for prior years on the Financial Disclosure Statement which you filed as a candidate.

While this compensation will not be counted as outside earned income for the purposes of the limitation in Rule XLVII, please note that it still must be reported on the Financial Disclosure Statement you are required to file as a Member of the House of Representatives by May 15th of each year. For purposes of clarity, we suggest that you note on the Statement that this income is from a family business and exempt from application of Rule XLVII.

If you have any further questions concerning this matter, please contact the Committee staff at extension 5-7103.

Sincerely,

Julian C. Dixon
Chairman

Floyd D. Spence
Ranking Minority Member

U.S. House of Representatives
COMMITTEE ON STANDARDS OF
OFFICIAL CONDUCT
Washington, DC 20515

February 25, 1987

The Honorable Cass Ballenger
United States House of Representatives
116 Cannon House Office Building
Washington, D. C. 20515

Dear Colleague:

This is in response to your letter of January 16, 1987, requesting the advice of this Committee regarding the propriety of your receipt of certain compensation from Plastic Packaging, Inc. Your correspondence elaborates on information provided in an earlier meeting with Committee Counsel Mark Davis.

You explain that you served as President of Plastic Packaging, Inc., from its founding in 1956 until your election to the House of Representatives. While you remain the majority stockholder and Chairman of the Board, you no longer have day-to-day operating responsibilities. In lieu of the salary previously paid to you, Plastic Packaging, Inc., intends to pay you $20,000 per year for as much as 400 hours of consulting services on implementation of corporate policy decisions. You further explain that Plastics Packaging, Inc., is your principal family investment, and you view it important to remain associated with the business to assure that your investment is protected.

The provision implicated by your inquiry is House Rule XLVII, which limits the amount of outside earned income which a Member of the House of Representatives may receive in a calendar year to 30 percent of the Member's aggregate yearly congressional salary. As provided in the Rule, the term "outside earned income" means "wages, salaries, professional fees, honorariums, and other amounts ... received as compensation for personal services actually rendered." Several exemptions are noted, however. Clause 3(d)(4) of Rules XLVII specifically states that outside earned income does not include--

> in the case of a Member engaged in a trade or business in which the Member or his family holds a controlling interest and in which both personal services and capital are income-producing factors, any amount received

The Honorable Cass Ballenger
February 25, 1987
Page 2

> by such Member so long as the personal services actually rendered by the Member in the trade or business do not generate a significant amount of income.

The Committee is of the opinion that the services you will be performing for Plastic Packaging, Inc., and compensation in the amount specified, fall within the stated exemption. The purpose of the exemption, as stated by the Commission on Administrative Review of the 95th Congress, is to enable Members to protect their interest in a family business. (See, House Document 95-73, p. 11; see also, Advisory Opinion No. 13, House Select Committee on Ethics, 95th Congress.) Further evidence of the fact that your efforts are aimed at preserving your equity, rather than generating a significant amount of income, is the limited time you plan to devote to the business. The Committee also notes that the amount of compensation you will be receiving from the corporation is substantially less than that reported for prior years on the Financial Disclosure Statement which you filed as a candidate.

While this compensation will not be counted as outside earned income for the purposes of the limitation in Rule XLVII, please note that it still must be reported on the Financial Disclosure Statement you are required to file as a Member of the House of Representatives by May 15th of each year. For purposes of clarity, we suggest that you note on the Statement that this income is from a family business and exempt from application of Rule XLVII.

If you have any further questions concerning this matter, please contact the Committee staff at extension 5-7103.

Sincerely,

Julian C. Dixon
Chairman

Floyd D. Spence

HC

Dear Sirs:

I would like to amend my 1989 Financial Disclosure Statement as required by the Ethics in Government Act of 1978.

On Friday, March 31 I was the luncheon speaker before the annual seminar entitled "Contemporary Issues in the United States Law of the Sea Policy." As such, I accepted round-trip air-fare between Washington, D. C. and my congressional district, Florida 3, from the Center for Oceans Law and Policy, University of Virginia School of Law. The total cost of the tickets was $560, which is over the $250 threshold above which such reimbursements must be reported.

I'd appreciate having this amendment added to my 1989 disclosure. I have been advised a letter is all that's necessary, but if I need to do something else, please let me know.

With kindest regards, I am

Sincerely,

Charles E. Bennett

Dear Sir:

I enclose a copy of a April 28 letter from Chairman Dixon of the House Committee on Standards of Official Conduct. Apparently I failed to check off the inquiry about a possible trust or other arrangements at page two. Since the April 28 letter says I can amend this by letter, I am doing it by this letter today and stating that under III. HOLDINGS, there is a box asking whether I, wife or children have a beneficial interest in a trust. The answer is that none of us do, so I should have answered that question "No" and do answer it "No" by this letter. Also your note about Kenner Parker Toys is in error as my report form showed this stock was renamed "Henley Mfg." – not sold

With kindest regards, I am

Sincerely,

Charles E. Bennett

The Clerk

Dear Sir:

In response to your letter of May 15, 1989 posing a question regarding my Financial Disclosure Statement for 1988, I am pleased to provide an explanation.

On the accompanying Financial Disclosure Checklist, Part IV, numbers 6 and 7 in reference to my Marietta Common Stock: the stock was acquired on November 3, 1987 @ $8.00 per share or a total of $400.00 for the 50 shares acquired. Since the Disclosure Form Section IV states in the general guidelines that a report on the "purchase, sale or exchange.... which exceeds $1,000" must be reported, the aforementioned transaction did not apply since it was only 50 shares at the rate of $8.00 per share for a total of $400.00. ✓

On the date that I filed my 1988 Financial Disclosure Statement, May 11, 1989, Marietta was selling for $20 and 1/2 which meant that the total value of my 50 shares for the first time exceeded $1,000 and therefore should be reported.

I trust this is a satisfactory explanation but if anything more is required, please let me know.

Sincerely,

Sherwood Boehlert

The Honorable Donnald K. Anderson
Clerk, U.S. House of Representatives
Office of Records and Registration
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Donn:

I am writing to correct an inadvertent error which was included in my 1988 Financial Disclosure Statement submitted on May 15, 1989 and amended on May 19, 1989.

On page 3 of the disclosure form, I reported the receipt of a gift of air transportation from Martin Marietta on March 11, 1988 from New Orleans, Louisiana to St. Augustine, Florida. The reason for my travel was to participate in a campaign appreciation dinner for the late Representative Bill Chappell.

On reviewing the Instructions for Completing the Financial Disclosure Statement, I realized that the transportation in question should be excluded from the disclosure requirements of the Ethics in Government Act since it was campaign related. Rather, the transportation should be reported by the campaign benefiting from the travel under provisions of the Federal Election Campaign Act. I, therefore, would like to amend my 1988 Financial Disclosure Statement accordingly.

With warm regards,

Sincerely,

Lindy

Dear Chairman Dixon:

I hereby request leave to amend my 1988 Disclosure Statement, to include three liabilities mistakenly excluded.

The continuation sheet should reflect:

Part V: Joel Jessel note Category E
Gail Jameson note Category E
Kellie Cassady note Category E

None of these obligations was payable in 1988; however, the obligations were incurred on December 19, 1988. I did not receive copies of these notes until February of 1989 and mistakenly filed them with records applicable to the 1989 statement. I would request that the above statement be included with my report when it is made public.

Sincerely,

Doug

Dear Mr. ~~Anderson~~:

This is written in response to an inquiry from the Committee on Standards of Official Conduct with regard to my Financial Disclosure statement for 1988.

The Committee inquired why the listing of holdings on my 1987 statement for 1) Harry S. Long, promissory note, and Preston H. Smith, promissory note, were not shown as holdings in 1988. These promissory notes were cancelled 5/29/87 through the purchase of stock from Harry Long, and 6/8/87 through the purchase of stock from Preston Smith. These two transactions are shown on my 1987 Financial Disclosure statement as stock purchases of First National Bank, Silsbee, TX, stock on the above dates.

If I can be of further assistance, please do not hesitate to contact me. With every good wish, I am

Sincerely,

Jack Brooks

U.S. House of Representatives
Committee on Standards of Official Conduct
Suite HT-2, U.S. Capitol
Washington, D.C. 20515

Dear Mr. Chairman:

In answer to the inquiries on my financial disclosure statement, the explanation is as follows:

> Part III-Holdings: Neither I, my wife, nor my children receive income or have a beneficial interest in a trust or other financial arrangements whose holdings were not reported because the trust is a "qualified blind trust" or other excepted trust. I inadvertently forgot to check the proper box in Part III.
>
> Part IV-Transactions: The 10 acres of land which were sold and the 17 acres of land which were sold was land I owned in Bartholomew County, Indiana. This land was reported in my 1987 Financial Disclosure Report in error as 20 acres of land in Johnson County, Indiana. Johnson and Bartholomew counties are side by side in southern Indiana, and when I told my accountant about this land previously, he thought it was in Johnson County instead of Bartholomew County. Thus, by this statement, we are not only correcting the 1988 report, but the 1987 report as well, as respects the Bartholomew County land.

The approximately 20 acres of land that I own in London, Kentucky, I still own, and it was inadvertently omitted from the 1988 Financial Disclosure Report.

I think this covers all of the problems with my report; however, if you have any further questions, be sure to contact me.

Sincerely,

Dan Burton

Dan Burton
Member of Congress

DB:lrt

P.S. In addition to the questions you had about my report, I am enclosing a complete copy of all my stock transactions for the past three years to be incorporated into my file.

Dear Mr. Anderson:

The following amendments apply to captioned report Part IV, filed on May 15, 1989.

Page 3 - Part IV TRANSACTIONS

FDIC SOUTHERN NATIONAL BANK COMMON STOCK.
Investment in common stock of Southern National Bank was made in 1976. This stock was determined to be worthless in 1979 and consequently has not been reported by me as an asset.

The bank was subsequently administered by the FDIC and in 1988 the stockholders were paid for their shares. My pro-rata portion of this distribution falls into Category "B".

5 ACRES OF UNIMPROVED LAND (DOG RIVER)
This was reflected on the 1987 report as an asset in PART III - HOLDINGS, Value Category "E".

This property was sold in 1988 and reported in PART IV, but described as "Residential lot" sales price Category "E".

BADGER-STONEWALL INSURANCE AGENCY, INC.
Reported as a holding on the 1987 report, Category "B".

During the year 1988 Badger-Stonewall Insurance Agency, Inc. merged with and changed their name to Spring Hill Insurance Company, Inc.

Spring Hill Insurance Company, Inc. is reported on the 1988 report in PART III, item 3, Category "B".

As well as these explanations, the report was inadvertently delivered unsigned. I have signed the copy returned to me to rectify this.

If you have any further questions, please don't hesitate to contact me. With kind personal regards,

Sincerely,

May 21, 1989

Dear Chairman Dixon and Congressman Myers,

Thank you for your letter of May 16, 1989, indicating an apparent deficiency in the Financial Disclosure Statement I filed on May 15, 1989.

The checklist you sent suggests that there were new holdings of U.S. Treasury and Government Agency Bonds, Municipal Obligations, and Corporate Bonds; and hence, these should have been reported as acquisitions. However, please note that I reference these holdings in an attachment marked as pertaining to Part III, lines 2-3, of my report--those lines describe my wife's remainder interest in the Martin Family Trust. (She has no present right to income or withdrawal from the trust; her only interest is to succeed to the corpus of the trust upon the death of her mother.) I suspect your reviewers might have read this attachment as referring to individual securities that I held; in which case, they would indeed have been new acquisitions. As it is, however, these are simply securities that continue to be present in the Martin Family Trust.

My attachment might have been headed, "Attachment to describe general category of securities held in Martin Family Trust, as it appears on lines 2-3 of Part III," rather than simply "Attachment (Part III - Line 2-3)." I would be grateful if you could consider this letter an amendment to my statement so as to make that heading more clear.

I trust this clarifies the apparent deficiency noted in your letter; but please let me know at once if this is not so. Thank you for your hard work on the Committee on Standards of Official Conduct.

Sincerely,

Tom Campbell

Dear Mr. Anderson:

This letter is in response to the letter I received concerning my 1988 Financial Disclosure Statement.

First, in Part IV, Transactions, my holding at 600 West Matson Run Parkway, Wilmington, Delaware, was not listed because it is my primary residence. This home was purchased in August of 1987.

Also, the word "none" should have been typed under Part VI, Section B, Gifts.

I hope this clears up any problems with my statement. If you have further questions, please call Heidi Glenn or Laurette Crum of my staff at x54165.

Sincerely,

Tom Carper

The Honorable Julian Dixon, Chairman

HT-2, The Capitol
Washington, D.C. 20515

Dear Mr. Chairman:

I would appreciate your assistance in correcting a secretarial error on the Continuation Sheet of my 1988 Financial Disclosure Statement.

On the Continuation Sheet under Section III., tenth line, please note that BancTexas stock is inadvertently listed as 1st American Bank stock. Although BancTexas, Sulphur Springs, N.A. has changed names to 1st American Bank, the stock I own is in BancTexas (the Holding Company) not the local bank which was recently sold with a subsequent name change to 1st American Bank.

Mr. Chairman, I would appreciate your assistance in correcting this error to accurately reflect my stock ownership.

Thank you for your assistance in this matter. If you should have any questions, please let me know.

Sincerely,

Jim Chapman

Dear Sir:

It has been brought to my attention that on my May, 1988 Financial Disclosure Statement I incorrectly listed under Part III, Holdings, "Rental property, Alexandria, Va." That property should not have been so listed as I had disposed of it the previous year and had reported the sale on my May, 1987 Disclosure forms.

Sincerely,

E. Tom Coleman

HAND DELIVERED

Congressman Jim Cooper
4th District, Tennessee

1989 MAY 22 AM 10:46

The Honorable Julian C. Dixon
Committee on Standards of Official Conduct
Suite HT-2, U.S. Capitol
Washington, D.C. 20515

MC May 22, 1989

Dear Julian,

I appreciate the staff of the Committee bringing my attention to several aspects of the Financial Disclosure Statement that I filed on May 15th. This is the explanation for the items that were noted.

The "USDA - ASCS - Henderson Co., KY CCC pmts." are deficiency payments made to me personally by the U.S. Department of Agriculture through its Agricultural Stabilization and Conservation Service on the 1,463 acres of Kentucky farm property that is described on my Disclosure Statement in the HOLDINGS section. This Kentucky land is operated by Cooper Brothers Land Co. and it would be much simpler if the USDA would simply pay Cooper Bros., but for some reason they have always sent the enclosed "Report of Payments to Producer" to me personally.

The "Purchase of the small strip of land next to the Madison St. property" was listed as a transaction but not as a holding because it has become an inseparable part of the Madison St. property that I already owned. What happened was that the State of Tennessee moved a road and left a tiny strip of land too small to build anything on between our land and the new road. Therefore we bought the strip from the State and it became a part of the larger lot. Visually it is almost indistinguishable from the larger lot.

The Peoples National Bank confusion is a result of the April 20, 1988 merger between the Peoples National Bancorp Inc. of Shelbyville, TN, and Dominion Bancshares Corp. of Roanoke, VA. Every Peoples shareholder exchanged his or her shares for Dominion shares, myself included. Therefore my Peoples stock became Dominion stock, as I tried to note in the HOLDINGS section when I wrote "(merged with Peoples National Bank)" behind the first Dominion reference. This also meant, of course, that the Peoples National Bank Branch that I owned became the Dominion Bank Branch. Nothing really changed other than the name on the stock and the bank building.

The reference to 319 E. Lane St. is to a vacant lot that I had inadvertently omitted from my past Disclosure Statements, but which I have owned for many years. It was not until recently that the Cooper Brothers Land Co. has become more organized, and when an inventory was taken this non-revenue producing parcel was discovered to have been omitted from past Disclosure Statements.

The "lot across from 413 E. Lane St." was not listed as a transaction because my mother gave me my interest in the property in 1988. I did not think that gifts from relatives had to be

41 D St., S.E., Washington, D.C. 20003 (Not printed at government expense.)

included as a transaction or gift.

The "01504 East Beach Drive" property in Mississippi was inherited by my wife when her grandmother died in 1988. I did not think that inheritance from family members had to be reported as a transaction or gift.

I very much appreciate your calling attention to these matters. It must have taken a lot of hard work to be able to ask such detailed questions. I have enclosed an amended Disclosure Statement that, I hope, clarifies the situation. If you have any further questions, please do not hesitate to call me.

Sincerely,

Jim Cooper

IMPORTANT INFORMATION

This is important tax information and is being furnished to the Internal Revenue Service (IRS). If you are required to file a return, a negligence penalty or other sanction may be imposed on you if this income is taxable and the IRS determines that it has not been reported.

This form is furnished to assist you in preparing your income tax return. The total "Reported to IRS" amount is the total payment to you (or applied against your indebtedness) under certain ASCS administered agricultural programs, and payments made on your behalf to vendors for conservation materials and services received under ASCS purchase orders. The total "Not Reported to IRS" amount is the total collected from you for payments made to you under the reported ASCS programs.

As the law requires, ASCS must report to IRS all payments made to you, or for your account, under direct payment programs during the calendar year. This report includes payments under the following programs identified on the form by the numerical codes listed under "Prog.". (1) Agricultural Conservation; (2) Cotton Loan Settlement; (3) Dairy and Beekeeper Indemnity; (4) Deficiency; (5) Disaster; (6) Livestock Emergency Assistance Prog; (7) Emergency Conservation; (8) Emergency Feed; (9) Cotton Loan Deficiency; (10) Farm and Warehouse Storage; (11) Feed Grain and Cotton Voluntary Diversion; (12) Forestry Incentive; (13) Indemnity Funds, CCC; (14) Naval Stores Conservation; (15) Distress Commodity Loan Expense; (16) Marketing Rice and Inventory Program; (17) Rural Clean Water; (18) Water Bank; (19) Interest Penalty Payment; (20) Wool and Mohair; (21) Dairy Termination; (22) Other.

This report does not include CCC disbursements for commodity and storage facility loans or for commodities CCC purchased. Omission of amounts for such items does not mean that they are not subject to income tax.

Payments to joint payees and agents are reported to IRS as made to the person whose identifying number appears on the payment check. Reassignment of payment to rightful owner must be carried out on IRS Form 1099-G, Statement for Recipients of Certain Government Payments.

If during the year covered by this report, you refunded a payment received under one of the programs listed above, or a refundable amount was set off from an amount due you, the amount is shown in the report as amount "Not Reported to IRS". Refunds may apply to current or prior year payments. The amount of payments reported to IRS is NOT reduced by such refunds or setoffs.

We suggest you check the amounts shown on the report with your records to see that the amounts are correct. If you find the amounts are not correct, or if you have questions regarding the report, contact the County ASCS Office that made the payments. If you visit the County ASCS Office, be sure to bring this form with you so that they may more readily identify questionable items. In the event the County ASCS Office agrees that an amount(s) is incorrect or missing, the County ASCS Office will furnish you a letter advising of the correction. ASCS is required to furnish IRS notification of any changes, and will do so after July 1.

Dear Sirs:

In response to your letter of May 16, the following will amend my 1988 Financial Disclosure Statement:

1. In Section IIB, "Shore Ind. Inc." is an incorrect name; "Shaw Ind. Inc." is the correct name of the stock.

2. In Section III, I omitted a series of holdings whose income was listed in Section IIB. Section III should list the following holdings: Mercury General, B; Shaw Ind. Inc., B; J.B. Hunt Transport, B; Adobe Systems, B; Northrop Corp., B; Baxter International, Inc., B; Baxter Inter. Inc. EXCH, B; U.S. Government bonds, E.

3. In Section IIB, the unearned income reported from the source "Sergeant at Arms" represents interest paid to me upon leaving a federal retirement plan. I am advised that this does not require a parallel listing in Section III.

Please let me know if any further information is required.

Sincerely,

Jim Courter

Re: Financial Disclosure Statement Dated May 14, 1989

Dear Mr. Anderson:

This letter is provided at the request of the Committee on Standards of Official Conduct, based upon Committee staff review. Their checklist indicated that the boxes at Part I and Part III were not checked, and that Part IV should have stated "none" if that is the case.

The Committee's letter invited appropriate amendment of the Financial Disclosure Statement by letter. This letter, therefore, hereby amends my Statement as follows:

1. The spouse and dependent disclosure exemption box at page 1 should be checked "NA."

2. The spouse and dependent holdings box at the bottom of page 2 should be checked "NA."

3. Part IV, which is presently blank, should state "none."

Thank you for your assistance in filing this amendment.

Sincerely,

Chris Cox
